

Please vote NO.

My name is Marcia G. Wahto.

My 2nd amendment rights are very important to me. I am a 5'2", petite woman, and I want to be responsible for my own safety. I have a CHL permit, and I often carry. I love having the freedom and independence to go places by myself safely.

Most importantly, guns are the great equalizer. I may be a young, small, female, but with my gun, I don't have to be afraid of sketchy looking men.

Don't leave women without options and erode our 2nd amendment rights. Please vote NO!

Sincerely,
Marcia G. Wahto
