EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

In 1994, Ballot Measure 18 passed, which banned the use of bait to hunt black bear, and the use of dogs to hunt black bear or cougar. Currently, the Oregon Department of Fish and Wildlife (ODFW) can appoint agents to use one or more dogs to hunt cougar in order to carry out management plans, and agent dog use is reported biennially to the Legislative Assembly (ORS 498.164). The use of dogs for hunting cougar is also permitted in the case of a cougar causing damage, posing public health risk, or creating a public nuisance (ORS 498.012).

House Bill 3118 would authorize ODFW to appoint persons to act as agents of ODFW for the purpose of managing cougar in accordance with a cougar management plan administered by ODFW.
