Subject: FW: Testimony: Public University support Fund
Date: Tuesday, April 2, 2019 1:52:17 PM

Good morning,

I would like to submit this link for video testimony on the Public University Support Fund:

<https://youtu.be/47aF8MnDmA4>

This link is to a video produced by SOU students; all music, direction, and "actors" are students. This is their message about higher education funding.
