

Dear Chairman Prozanski, Vice Chairman Thatcher and committee members:

Our unalienable, God-given rights are not up for discussion.

You have SWORN AN OATH to UPHOLD AND DEFEND the Constitution. If this bill gets passed out of committee those who vote in favor of it will be violating that oath and will be held accountable by We The People - your constituents, the people who pay your salaries and provide your benefits.

Consider yourself on notice.

I also took that oath and I intend to uphold my oath at all costs. My oath does not expire.

DECLINE TO PASS SB978 AND ALL AMENDMENTS.
