

BILL # SB978

I am writing to ask that you vote NO on SB978.

Your trying to pass laws based on Portland/ Salem Life. You are ignoring rural Oregon life. Disarming law abiding citizen does not keep people safe. Locks can be defeated. And why should law abiding citizens be punished for what a thief/ criminal does with a firearm they stole? Do I have to ask a home invader to wait a minute while I unlock my personal defense weapon? And when he kill me or a family member is the blood on your hands and will you pay my family for your part in my death. Government officials have armed guards. Why should we be defenseless.
