

Much of Oregon is rural. I was born and raised on a cattle ranch and firearms were just another tool that needed to be used. This bill does nothing to punish criminal acts but rather makes everyone a criminal. Maybe that is your intent, I don't know.

England was tightening the screws down on the colonies in the 1700's and they lost all the colonies. Be careful what you do.

Sincerely, Bob Higgs

I worked my entire life, as well as 2 years in Afghanistan for this country. I've upheld the law and pay all my taxes.

Why do you want to turn me, and virtually every one I know into criminals with your gun laws? And all under the obviously false pretense of "safety".

The only reasonable conclusion that can be made with such laws is that the government has a nefarious intent on its people.

Sincerely, Bob Higgs
