

As a lifelong Oregonian I am requesting you vote NO on this restrictive bill.

This will NOT change the behavior of anyone who is a criminal. Anyone wishing to do harm will not be stopped by any additional laws. What this will do is put law-abiding Oregonians – women, mothers, wives, daughters, grandmothers at risk. I have had two times I have been in the position of defending those under my care from intrusion. I have the God-given right to protect me and mine from harm without undo requirements as a law-abiding citizen of this state and the USA.

Again, PLEASE VOTE NO. If you truly want to reduce gun violence then do something about mental health and enforce the laws that are currently on the books. More laws will not stop criminal intent.
