

Members of the Senate Judiciary Committee:

Nay to SB 978.

This bill does nothing but punish law abiding citizens and infringe upon our Constitutional right to bare arms. I strongly appose any attacks against our Constitutional rights and you all have sworn to do the same. Keep your oath of office ( or affirmations) in mind while you are considering attacking the Constitution and the rights of your fellow US citizens. These laws make it harder for law abiding citizens to defend themselves in their own homes when necessary. I cant understand how anyone thinks that's a good thing.

Thank you for your consideration.
