

I am a registered voter and asking you to vote NO on Senate Bill 978 (SB978). I just got word of the hearing this afternoon and from the pages I read from the first part of the bill not only is it hard to decipher but one thing I do know, this bill says if someone steals my gun and commits a crime I'm guilty of committing the crime! This should not be allowed. This is just one of many things I think are wrong with this bill.

Thank you.
