

I am contacting you in response to proposed SB978 and asking that you vote No on this bill. In this great Nation we have a Constitution for the people. our rights including our 2nd Amendment right was written for the people. Our Constitution was not written to provide rights to our Government with rights, it was written to outline the rights of all Americans. We have elected you as our Representatives to the process of this Great Nation. We are now counting on you to do your sworn duty and defend the Constitution and the Rights of the American People. Our Republic was formed and our Constitution written to protect the Rights of the few from the wishes of the many. I ask you again to uphold your oath and vote NO on this infringement of our rights. These laws would only make law abiding citizens criminals. Criminals are already breaking laws they wont care if you write more.

Thank You for your consideration
