

Senator Prozanski, Senator Thatcher and board members.

My name is Lissa Funk, I am a Salem resident, a firearms instructor,
A member of a National women's shooting organization as well as a
Wife and mother of 3.

I am here today to oppose bill 978. My husband travels for work and I
Take him to the airport several times a month. This bill if passed will not
Legally allow me to carry my firearm or pepper spray when I travel the 70 miles
Each way to the airport. Many occasions in the early morning or late night.

In today's society, we talk about women's right. As a woman, I chose to
The right to protect myself.

Thank you for your time.
