Hello. I am a resident of Wallowa County, OR and I am writing in support of SB 580 banning the use of M-44 cyanide bombs, as they kill countless wild animals, dogs, other non-target animals, and have even poisoned people. There is no justifiable reason for the continued use of these bombs. I strongly encourage members of the House Committee on Natural Resources to vote in favor of SB 580.

Thank you.

Sincerely,

Timothy Brill
