Note: Please use discretion with your personal information in written testimony (i.e., do not add personal information you do not want the public to see). All meeting materials, including your name and any personal information contained in the submitted documents, are posted to the Oregon Legislative Information System (OLIS) and are accessible to all major search engines, including Google, Bing, and Yahoo.

My name is Dave Vanasche. I own and operate Vanasche Farm LLC, which is a 2200 acre grass seed , wheat, clover seed and hazelnut family farm in Washington County, Oregon. SB 413 would have very negative consequences to our farm operation on highvalue farmland here in Washington County.

Please vote No on this bill, which would destroy our renewable natural resources here in this area!

Thankyou

Dave Vanasche
