Dear Joint Committee on Student success,

Its time to end decades of disinvestment in our school and our kids. I'm a parent of a kindergartner in PPS and we love our school. We want to see it fully funded and our teachers supported. I'm glad that the measure does that through a corporate revenue tax, that's the right way to do it. As part of Portland Jobs With Justice we support good jobs for all workers in our schools because that makes our community strong and resilient.

Sincerely,  
Will Layng
