Subject: Support SB 580
Date: Tuesday, April 9, 2019 5:56:00 PM

Hello All,

I am a landowner in Union County, Oregon, residing in La Grande. I support SB 580. SB 580 prohibits the use of M-44 cyanide bombs that kill countless wild animals, dogs, other non-target animals, and have even poisoned people.

I value and support protecting wild and domestic animals and people from this threat.

Thank you,
Arielle Star
