SEEKING EFFECTIVE PATHWAYS FOR OREGON'S SCHOOL AGE YOUTH

PRESENTED BY THE ALLIANCE4KIDS & SOUTHERN OREGON SUCCESS

DECEMBER 19, 2018

Proven, Implementable Concepts

Flexible	Proven	Ready to Go
Fit the community	National Research	State Agencies Experienced
Scalable	Oregon pilots and work have proven successful	Many districts have implemented
Build on existing efforts	Link education to health care and community	Bills Moved By Deadline

Tools For Schools

- **HB2224 (COSA - SEL)**
- **HB2026 (Trauma Informed Schools)**
- **HB3165 (OSBHA - School Health Flexibilty Act)**
- **SB130 (Nurse/SBHC Telehealth Expansion)**
- **HB2644 / SB264 (Youth Dvpt. Hubs)**
- **HB2327 / SB584 (School Safety Task Force)**

- **HB2224**/House Committee on Education: $85 million for investments in **social, emotional/ mental health.** (JCSS)

- **HB2026 + Amdt.** /House Ed/ODE: Expands successful "**Trauma Informed Schools Programs**" (Central and Tigard H.S.) which are reducing absenteeism, dramatically reducing failure rates among at-risk kids, etc. to allow other schools to implement the model. (And **HB2965**/Marsh, **State Coordination of Trauma Programs** Across Agencies) (JCSS)

- **HB3165**/Nathanson-G. Smith: Allow school districts to move forward with new **school health centers** (which leverage state dollars 5/1) or **more targeted mental/behavioral or nursing supports** for their schools. (WM)

- **SB130**/Senate Health Committee: Links school nurses with providers at school health centers through **TELEHEALTH to allow for billing** for critical health services and expansion of nursing in many districts. (WM)

- **HB2644**/Schouten: Creates Community Youth Development Hubs (up to 5) to help leverage state aid for youth/schools. Also, **SB264**, grants to community based organizations – – YDC. (WM)

- **HB2327**/Barker, Wagner, Bonham, Etc.: Implement anti-bullying programs, suicide prevention efforts, multi-disciplinary safety assessment teams, and school safety tip lines. (JCSS)
