

**HB 5004**

**Department of Aviation**

---

HB 5004 is the budget bill for the Oregon Department of Aviation. The Department is supported by a combination of aviation system taxes and fees, and funds from the Federal Aviation Administration.

The Subcommittee approved an all funds budget of \$23,431,058 – an increase of \$367,000 dollars, or 1.6% compared to the current biennium. This budget provides support for capital improvement projects at several state-owned airports and increases the amount available for state grants to local public use airports.

The Transportation and Economic Development Subcommittee recommends HB 5004 be amended by the –1 amendment and be reported out do pass, as amended.
