

The Eagle Point School District Administrative team would like to give their highest recommendation to the inclusion of AVID as an eligible option to support student success through HB2019.

EPSD9 is an AVID District utilizing AVID strategies in every classroom.

Our recommendation is based on many factors including; closing the graduation gap for all subgroups, higher student engagement, increased college and career ready culture at all schools and an average teacher retention rate of 94% for the past three years!

Most importantly, Eagle Point High School had a graduation rate of 86.02% in 2018 which is their highest graduation rate ever and we believe it is no coincidence that this is the fourth year of our AVID implementation!

AVID is the best initiative and it impacts ALL students in Eagle Point School District 9.
