Dear Joint Committee on Student success,

I urge you to support HB 2019. I am very concerned about the class sizes in Oregon schools. We need to support our students and their teachers. As a retired teacher I can not imagine teaching in classrooms with the kind of pupil-teacher ratios I see in Oregon schools. In addition I believe it would benefit Oregon if we could provide quality employment opportunities to our young teachers. These are the kinds of jobs Oregon needs.

Sincerely,
