

# For The Love of Cars

In the past five years, Oregon motorists registered 343,376 more passenger cars and trucks—an increase of more than 10.3 percent. Much of this growth has been in Washington County, where motorists have registered 48,357 more vehicles since 2014. The increase of 11.11% in Washington County closely mirrors the county's recent population growth trends; and equates to 26½ more cars and trucks merging into traffic every day---in each of the past five years.
