Oregon Progressive Party Position on Bill at 2019 Session of Oregon Legislature:

SJM 11: Support; suggest amendment

Dear Committee:

The Oregon Progressive Party would support this joint memorial, which urges Congress to require individuals to disclose relevant portions of federal tax return to appear on ballot as candidates for federal elected office.

SJM 11 urges that candidates be required to disclose only one year of tax returns and only its "relevant portions." We suggest that 5 years of the full tax returns be required. Congress should also require disclosure of the tax returns of corporations, partnerships, and other business entities that the candidate substantially owns or controls.
