To Chair Prozanski, Vice Chair Thatcher, and Members of the Committee on Senate Judiciary,

I am a resident of Portland, Oregon and supporter of sexual assault survivors. I care deeply about this topic.

- Why is this Bill Important :

Requiring that sexual assault survivors go back to court to renew their restraining orders annually is traumatic. This period for these restraining orders needs to be extended. Protecting vulnerable people, children, survivors of repeat sexual assault offenders, survivors of sexual assault by family, and the like is important. They deserve to have lasting and/or permanent protection.

- What does it remedy:

It prevents the victims of sexual assault from bearing the full burden and repeat trauma of ensuring their own personal safety.
It protects the most vulnerable in the community, especially those who have jobs that do not allow them to take days off to go to court to

- My position on this Bill is that I fully support it and I would like it to get passed.**
- I support SB 482 along with it's "-1" amendment.**

Thank you Chair Prozanski, Vice Chair Thatcher and Members of the Committee on Senate Judiciary.

Sincerely,

Danielle Hurley
