Subject: April 11 Hearing - Supportive testimony for HB 2019
Date: Monday, April 15, 2019 8:41:57 AM

Dear Joint Committee on Student success,

Oregon's divestment is showing and we have to right the ship. It is less about paying teachers more, it is definitely about better teacher preparation, and classroom management and most important updating our classrooms to reflect contemporary standards, practices, and technologies!

Sincerely,
Shawn Sellers
