**BACKGROUND:**

Oregon law requires boat outfitters and guides to carry equipment such as first-aid, life jackets, light and smoke flares, and running lights. "Outfitters and guides," as defined in ORS 704.010, include any person compensated for providing or offering outfitting and guiding services in this state or any person who holds federal special use permits for commercial outfitting and guiding.

House Bill 2652 A would require outfitters and guides operating on class III or higher waters to rent, sell, or otherwise make available helmets to all passengers.
