I am writing as an Oregon taxpayer and voter to express my strong opposition to HB 2015. Granting driver's licenses to persons who are not legal residents of this state is a very bad idea for numerous reasons. At the top of the list are the facts that Oregon voters rejected such a proposal through the referendum process in 2014, and according to a recent Zogby poll are still strongly opposed this action. In addition, granting this type of official state identification documentation to non-residents legitimizes illegal immigration, devalues citizenship and threatens the sovereignty of our state and nation.

I urge you to vote against this dangerous bill.
