Dear Representatives:

As you know, a new statewide poll of voters finds that Oregonians still **overwhelmingly** oppose granting driver's licenses to illegal aliens. Dear Representative: Please listen to us, the voters that put you into office; WE DO NOT WANT ILLEGAL ALIENS TO HAVE DRIVERS LICENSES!! Got it?

We all agree that legal immigrants are an important part of our American heritage and that they contribute to our society. However, we insist that they must follow immigration laws. Illegal entry (or the soft-play "undocumented") is not acceptable. Illegal aliens have absolutely broken the law and as such are criminals and should be treated as such. Legal immigrants followed the law and came here legally. That's what is right and correct.

Of course every driver should be required to have a license, and insurance. So anyone in our State who is driving should be required to have these. BUT, it should be required that anyone seeking a license be a citizen of the United States of America, or a legal immigrant to the USA. What's next? Do we give illegal aliens the right to vote? OMG, stop the madness!

As a citizen of this country and this state, and as a tax payer, I strongly oppose giving illegal aliens the right to have a drivers license in this state.

Please, listen to your citizens!!
