I want you to vote no on this. My 2 older grandchildren are have a father who is here illegally. He is a worthless pos. He has never paid anything for child support. He has been to prison, drugs, assault and guns. Maybe even part of a gang. His parents live in McMinnville on cypress street. Everytime he got caught ICE would send him back across the boarder. Within 3-4 days he was back at his parents house. My grandchildren that I have been raising since birth are now 14 and 15. STOP SANCTUARY CITIES and NO DRIVERS LICENSE. They are illegal. They have already broken the law to get here. Why would you think they wouldn't continue to break the law while here. NO NO NO. Build the wall!
