RE: House Bill 2015: Equal Access to Roads Act

Co-Chair Senator Lee Beyer, Co-Chair Representative Caddy McKeown, and Members of the  
Joint Committee on Transportation,

My name Julia Nyman , I live in Portland, OR 97202 and I urge you to support HB 2015.

Oregonians shouldn't have to live in fear of being deported over a simple traffic violation while they are taking their kids to school, going to work, or caring for their family or neighbors. These are peaceful everyday activities that need to be guaranteed to all Oregonians.

In February, Oregon Business documented that Oregon farmers and other businesses paid \$84 million in tariffs since October 2018. That amount has certainly increased since the article has published. It would help Oregon, especially rural Oregon, business competitiveness to have an available workforce that can arrive to work safely and reliably .

Sincerely,

Jula Nyman
