Subject: In support of HB 2015 Drivers Licenses for All

To: Joint Committee on Transportation

I urge you to pass HB 2015 enabling Drivers Licenses for All who are capable of driving. Immigrants are productive residents of Oregon, important to our economy and contributors to the vitality of our neighborhoods and communities.

They need and deserve to be able to carry out activities of daily life without the fear that comes from driving without a license. Immigration policy and enforcement are not state matters. We are all safer when the state's role in licensing drivers is focused on precisely that without extraneous considerations.

Thank you for the opportunity to comment.
