ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

-11 Creates State indemnity for local governments complying with Act.

BACKGROUND:

The Public Employee Collective Bargaining Act (PECBA), enacted in 1973, codifies the laws governing employment relations and public employers and employees in the state, counties, cities, school districts, transportation districts, and other local governments, as well as private employers not subject to the jurisdiction of the National Labor Relations Board. From the Janus v. AFSCME ruling by the U.S. Supreme Court, public sector unions may no longer extract agency fees from non-consenting employees; employees must clearly and affirmatively consent before any money is taken from them.
