Dear Joint Committee on Student Success:

It is imperative that you invest now in education to make a difference for all of the students in Oregon. As principal at Jacob Wismer Elementary School in the Beaverton School District, I have seen class size increase exponentially and as a result, the quality of education plummet.

Today's students deserve more. We need stable funding so we can focus more time on providing the instruction that students will need to thrive and be successful as adults.

Please help make a difference for our children.

Sincerely,

Joan McFadden, Principal
Jacob Wismer Elementary School
Beaverton School District
503.356-2150 school

Goal: We empower all students to achieve post high school success.
