Dear Joint Committee on Student Success Members:

I'm reaching out because our students need more Measure 98 funding, and H.B. 3427 will finally deliver it.

Measure 98 is a game changer for our state. We've been at the bottom of the barrel for too long, and Measure 98 funds programs that are proven to help raise graduation rates and provide new opportunities for kids. Please help pass H.B. 3427 into law for our students.

Thank you,  
Inger McDowell-Hartye
