Subject: From a Small Business Owner HB 3427 is the wrong approach for Oregon
Date: Tuesday, April 23, 2019 8:51:37 PM

Dear Co-Chairs Roblan,

Please vote 'NO' on HB 3427

I oppose HB 3427. Getting tax policy right is crucial.
Gross receipts taxes are harmful to Oregon businesses and consumers.

It's time to rein in PERS costs. Oregonians deserve a real and lasting solution, and PERS reform must be part of any state funding package.

Again please vote no on HB 3427.

Sincerely,
