Subject: Testimony For HB 5030
Date: Tuesday, April 16, 2019 2:12:27 PM

Reynolds School District has a project up for consideration as part of the Lottery Bond legislation and I was wondering if it would make sense for Rep. Gorsek to come down on Friday to provide testimony. In a previous email 2 to 3 minutes were mentioned as the time allotment and I wasn't sure whether that was per project or for each legislator wishing to speak to the item.

Thanks in advance for your consideration!
