---

Dear Co-Chairs Roblan,

More and more taxes are not the solution to every problem that needs money. In fact, these costs are passed onto businesses that have to pass them on to the consumer.

\$5 BILLION more in new taxes and fees this biennium??? Let's see that in budget cuts! If the climate for business is not good in Oregon, businesses will go elsewhere.

Rosemary Didear

Sincerely,

Rosemary Didear
