### **PLEASE SUPPORT HB 2577-A**

Dear Chair Dembrow, Vice-Chair Olsen and Committee Members:

HB 2577-A resolves an interpretation issue with ORS 222.750, Section 5. Please **amend Section 5**. HB 2577 proposes using LUBA's own language. The bill emerged from the House with a 50 to 4 endorsement.

ORS 222.750 is the "island" annexation law. It was amended through HB 2760 back in 2007. **One of the new provisions (Section 5) required that residents targeted for forced annexation under section 750 receive at least 3 years' notice from the time the annexation is announced until the time it is finalized.**

Please consider this for a citizen who found themselves in an Urban Growth Boundary Expansion Area!!!!!!!!!!!!!!

Respectfully,
