I just learned of this resolution, and heartily encourage you to recognize and honor our veterans who served on the USS McGinty!

Our military veterans deserve every recognition for their service! I hope you'll do the right thing.

Thank you!

"Dear is my country, dearer is liberty; where is liberty, there is my country." *A quote from my 9th great-grandfather, William Claiborne, when he was 8 years of age. (1608)*

Freedom is fragile. It is a gift from our Forefathers and can be lost in a generation.
