Subject: Opposing HB 3152
Date: Wednesday, May 1, 2019 1:09:01 PM

To Whom It May Concern:

Hi. I am Debbie Gabriel from Happy Valley, Oregon. I'm writing to ask you to oppose HB 3152 during this week's Joint Transportation Committee hearing, because the bill will create cybersecurity and privacy risk for Oregon consumers and businesses.

HB 3152 will create digital backdoors into auto industry databases that house consumers' personal information and business confidential information. This would be bad for Oregon consumers and businesses.

Sincerely,

Debbie Gabriel
