

EROSION Summer 2018

**NO WAKE ZONE
NO EROSION**

WAKE ZONE

This section eroded at least 150 square feet in less than 90 days. There was no change in the water level, no wind, just wakes.

EROSION Summer 2018

July 4, 2018

August 6, 2018

September 7, 2018

The water level did not change during this 2 month period
