Co-Chair Girod and Holvey,

We are writing you today in support of Portland State University's capital construction request for the renovation of Science Building One (SB1). Portland State is requesting \$63M in Article XI – Q Bonds and \$10M in Article XI – G Bonds. The renovation of SB1 is key to serving the modern educational needs of PSU's diverse undergraduate student body.

Thank you for your time and consideration of this important project for PSU Students.

Sincerely,
