

Mr. Sean Murphy,

May 9, 2019

As the Assistant to the Committee could you please give my message to every member of the Joint Committee On Carbon Reduction.

I'd like to thank every member of the committee for all the hard work you have done to make HB 2020-84 and please do all you can to pass it out of committee, now.

I'm hoping HB 2020-84 will become law before the 2019 session is closed.

Thank you,
