Committee Members;

I oppose HB 2932. HB 2932 subverts legal immigration methods. It further rewards the continued criminal enterprises of illegal immigration and human trafficking.

Passage of this is literally robbing the pockets of Oregonians/US Citizens whom pay our taxes to have decent services. Yet the Oregon government sees it fit to flood our schools and entitlement programs with illegals. I can think else that is more shameful than the Democrat supermajority's steady march to destroy the state. What you're doing is the definition of corruption.

It is appalling that given the national emergency of illegal immigration the Oregon legislature sees it fit to promote more illegal immigration as an emergency to hide more illegal aliens. Why is it declared an emergency to make Oregon a border state?

Oppose HB 2932
