**Subject:** Safe Community Highways Act. HB2846  
**Date:** Monday, May 13, 2019 2:00:46 PM

---

Please support HB2846 the Safe Communities Highway Act. I live within a quarter mile of State Hwy 213, a road that needs to be in the city of Portland jurisdiction. Roads like this, surrounded by dense urbanization should be transferred to the local government. Please vote for HB2846 it will help make many cities safer places for all of us.

Thank you,
