Subject: In support of Senate Bill 1021
Date: Tuesday, May 14, 2019 9:18:25 PM

Dear Joint Committee on Transportation,

As a resident of Charbonneau, I am writing to encourage you to vote in favor of Senate Bill 1021 to add an auxiliary southbound lane to the Boone's Bridge on I-5, as well as upgrade it seismically. The twice-daily bottleneck (once daily on weekends) that extends for miles seems to get worse, and more dangerous, by the month.

Thank you,

Michael Johnson
