Good evening,

I have been working at Clackamas Community College for 13 years. My plan has always been to stay here until I retire, even though I could be making more money in the private or for-profit sector.

I stay at CCC not only because it's an amazing place to be, but mostly because of PERS. Our retirement plan is the benefit for receiving less pay while working in education. I am a single custodial parent of two children and do not have any savings for retirement. These cuts are not only unfair, they are illegal and would be an enormous strain on me and my family.

PLEASE, vote **NO** on SB1049. Thank you for representing the needs of people who matter in public service.

Sincerely,
Jen
