

To Whom It Concerns:

I would like to support the National Popular Vote bill because it would guarantee the Presidency to the candidate who receives the most popular votes in all 50 states and the District of Columbia. Currently, candidates for presidency spend most of their time in the states of Ohio, Iowa, Florida and Virginia while mostly ignoring states like Oregon.

Please support SB870 for a more fair election so that every voter gets the same weight compared to the Electoral college.
