Dear Oregon Lawmakers,

I am writing concerning SB761. This is blatant voter suppression and discrimination against Oregon's elderly, disabled, chronically ill, rural, poor, and working citizens, who can't take time off their jobs to sign petitions. This bill would make it extremely difficult or impossible for the most vulnerable demographic of Oregon citizens to participate in the democratic process. Please vote down this horrible bill.

Thank you for your time and consideration, Belinda A Coalman
