

Dear Senators,

I am opposed to this proposed measure and feel that this is a direct attack on the first amendment freedoms of Oregonians. We live in a more advanced technology world these days and the ability to reach out to Oregon state voters and include them in the political debate should be supported nor infringed. We all have busy lives. If we can voice our political will with online petitions rather than having to find a petition gatherer or become one ourselves, this is a good thing.

What are you afraid of? This state does belong to the people and we would have our voices heard.

Do not pass SB761.

Thank you,  
Denise Keep
