Subject: Oppose SB 761

Dear Chair Burdick and Committee,

My name is Zina Berdogin. I am asking you to oppose SB761 to help stop voter suppression.

This bill would impact our seniors and other vulnerable members of our community, by not allowing our more "tech savvy" citizens to help those that are "electronically challenged".

Please Oppose SB761

Thank you for your time,

Zinovia Berdogin
