
SB761

Dear Committee,
My name is Raisa Piatkoff I live in Woodburn, Oregon. I am a member of the Russian Old Believer community here in Oregon.

Our elders migrated here over 40 years ago from Russia. Many of them don't speak English, don't use computers and are not looking for that to change anytime soon.

SB761 takes away their ability to voice concerns over any political action.

They depend on us, the younger generation to keep them up to date on Oregon's political climate. Please vote no on SB761 and stand up for thousands of Oregonians right to free speech.

Thank you for your time.
Sincerely,
Raisa
